PETITION TO WITHDRAW ABANDONMENT

Sir:

Under 37 CFR §§1.8(b) and 1.181, applicant hereby petitions to withdraw the Notice of Abandonment mailed October 21, 2005 (copy enclosed). The application was abandoned for failure to respond to the Office Action dated March 28, 2005.

The undersigned, applicant's attorney of record, first became aware of the abandonment after reviewing PAIR upon the clients request for status. Applicant submits that this petition to withdraw the Notice is being promptly submitted as required by 37 CFR §1.8(b)(1).

An Office Action was never received by our office and, therefore, a response was not filed. The Patent Application Information Retrieval system indicates that the Office Action was mailed on March 28, 2005, to an incorrect address. Applicant submits that Applicant's Customer Number was properly identified on Applicant's Application Transmittal at the time the Application was filed on October 3, 2003. It is Applicant's contention that all correspondence is to be associated with Applicant's Customer Number and Applicant's documents are to be mailed to the address associated with Applicant's Customer Number. Applicant has since filed a Change of Correspondence Address on April 27, 2006 which indicates that all correspondence should now be associated with Customer No. 22429.

In view of the foregoing, Applicant requests that the Notice of Abandonment be withdrawn and the enclosed Amendment be entered.

Please apply any charges or credits to Deposit Account No. 07-1337

Respectfully submitted,

Attorney Docket No. 3074-113

DECISION ON PETITION

This is a decision on the renewed petition to withdraw the holding of abandonment under 37 CFR 1.181(a), filed February 6, 2007.

The renewed petition is **granted**.

The above-identified application became abandoned for failure to reply to the non-final mailed March 28, 2005. The notice set a shortened statutory period for reply of three months from its mailing date. No response was received within the allowable period, and the application became abandoned on June 29, 2005. A Notice of Abandonment was mailed on October 21, 2005.

Section 711.03(c)(II) of the *Manual of Patent Examining Procedure* ("MPEP") provides that in order to establish non-receipt of an Office action so as prove that the imposition of a holding of abandonment is improper, petitioner must: 1) provide a statement to the Office indicating that the Office action was not received by petitioner; 2) include in the statement an attestation to the fact that a review of the file jacket and docket records maintained by petitioner indicates that the Office action was not received; and 3) provide a copy of the docket record where the non-received Office communication would have been entered had it been received and docketed.

Petitioner has met the burden of proof as established by Section 711.03(c)(II) of the MPEP. The holding of abandonment is, therefore, withdrawn.

The application file is being forwarded to Technology Center 3600, GAU 3636 for resetting of the time period for responding to the non-final Office action.

REQUEST FOR RECONSIDERATION OF DECISION ON PETITION

In response to the Decision on Petition mailed January 18, 2007, Applicant hereby request reconsideration of the decision

The application was abandoned for failure to respond to the Office Action dated March 28, 2005.

The undersigned, applicant's attorney of record, first became aware of the abandonment on March 28 2006, upon receiving a telephone call from Examiner Raeann Gordon and submits that a Petition to Withdraw Abandonment was promptly submitted as required by 37 CFR §1.8(b)(1) on March 29, 2006.

An Office Action was never received by our office and, therefore, a response was not filed. The Patent Application Information Retrieval system indicates that the Office Action was mailed on March 28, 2005, to an incorrect address. Applicant submits that Applicant's Customer Number was properly identified on Applicant's Application Transmittal at the time the Application was filed on October 3, 2003. It is Applicant's contention that all correspondence is to be associated with Applicant's Customer Number and Applicant's documents are to be mailed to the address associated with Applicant's Customer Number.

Applicant's request is based on the following quote from the Manual of Patent Examining Procedures (MPEP601.03):

As provided in the Manual of Patent Examining Procedure, if more than one correspondence address is specified in a single document, the office will establish one as the correspondence address and will use the address associated with a Customer Number, if given, over a typed correspondence address (MPEP601.03). The Office inadvertently entered the typed correspondence address.

Applicant further submits that a Change of Address was submitted to the U.S. Patent and Trademark Office on April 27, 2006, now associating all future correspondence with Customer Number 22429.

In view of the foregoing, Applicant requests that the Notice of Abandonment be withdrawn and the Application be allowed to issue.

Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 07-1337 and please credit any excess fees to such deposit account.

Respectfully submitted,

In re Application of
Chia-Chen Lee
Application No. 10/677,365
Filed: October 3, 2003
Attorney Docket No. 3074-113

ON PETITION

This is a decision on the petition under 37 CFR 1.181(a) to withdraw the holding of abandonment, filed October 21, 2006.

The petition under 37 CFR 1.181(a) is **DISMISSED**.

The above-identified application became abandoned for failure to reply to the non-final mailed March 28, 2005. The notice set a shortened statutory period for reply of three months from its mailing date. No response was received within the allowable period, and the application became abandoned on June 29, 2005. A Notice of Abandonment was mailed on October 21, 2005.

Petitioner maintains that the notice was never received and that the holding of abandonment should be withdrawn, accordingly.

A review of the application file and the Office computer records reveals that on March 28, 2005, (the date the notice was mailed), the address of record was cited as "Dennison, Schultz & Dougherty, 612 Crystal Square 4, 1745 Jefferson Davis Highway, Arlington, VA 22202-3417." The notice was mailed to this address and returned to the USPTO as undeliverable. On October 13, 2005, the correspondence address for the application was changed to "Lowe, Hauptman, Berner, LLP, 1700 Diagonal Road, Suite 300, Alexandria, VA 22314." Petitioner argues that the holding of abandonment should be withdrawn because the notice was not received at Lowe, Hauptman, and Berner.

Petitioner's argument is not persuasive. Petitioner has not demonstrated that "Lowe, Hauptman, Berner, LLP, 1700 Diagonal Road, Suite 300, Alexandria, VA 22314" was the correct address of record on the date the notice was mailed. Applicants are required to provide the USPTO with a timely notification of a change of correspondence address and withdrawal of a holding of abandonment would not be appropriate when a notice is mailed, but there was a material change in a correspondence address and petitioner failed to provide timely notice same. A review of the application file reveals that the declaration filed October 3, 2003, list the address of Dennison, Schultz, & Dougherty as the correspondence address of record and that no customer number was found on the application transmittal sheet. In this case, a material change was made to the correspondence address. The record reflects that applicant did not inform the Office of the change in the correspondence address until October 13, 2005. Accordingly, petitioner's failure to receive the notice at Lowe, Hauptman, Berner, LLP does not merit withdrawal of the holding of

abandonment because petitioner did not notify the USPTO of the change of correspondence address to Lowe, Hauptman, Berner, LLP until after the non-final Office action was mailed. The petition is dismissed accordingly.

Petitioner may file a petition under 37 CFR 1.137(b) to revive the application. The fee for the petition is \$1500.00 large entity or \$750.00 for a small entity.
